eLearning

We offer three online courses designed to help you keep children in organisations safe from abuse and harm.

A note on mobile devices

While it is possible to complete our courses on a mobile device, for the best experience please use a laptop or desktop computer with a modern browser such as Firefox, Chrome, or Safari.

New Children's Guardian Act

The *Children's Guardian Act 2019* commenced on 1 March 2020 and this means that the Reportable Conduct Scheme is

now administered by the Office of the Children's Guardian.

The courses are:

- Responding to Reportable Allegations (modules 1–6 now available)
- Child Safe eLearning - Keeping children safe in organisations
- SAFESpace eLearning - Keeping children safe in organisations in the disability sector

The Child Safe and SAFESpace courses were developed with the input of Professor Stephen Smallbone of Griffith University, an expert in understanding and preventing sexual violence and abuse.
