Check the Check - Free WWCC Compliance webinar from 10AM to 11AM

Child related employers in NSW have obligations to meet Compliance requirements for the Working with Children Check

This webinar provided by the Compliance Team will help you to:

- What is a WWCC and who requires one
- What is a verification and why is it important
- Understanding the results of a WWCC verification
- What are your organisations responsibilities as a child related employer
- WWCC record keeping
- How does the Compliance team make sure employers are doing the right thing
- Over reliance on the WWCC

Please note, there is no certificate for this webinar and is not associated with NESA professional development.
